Families contract for a specific weekly schedule as indicated on the Enrollment Agreement Form. Payment for this contracted schedule is required every week year-round whether or not your child attends; this enables us to pay teachers a stable salary every week all year. No credits are given for sick or vacation days, holidays, staff training closure or closure due to inclement weather.

Payment

Payment is always made in advance with no deduction for any absences, holidays, or closures due to inclement weather, power outages, or other situations beyond our control. Payment is due by 6:00 PM every Friday as outlined in the Enrollment Agreement.

Methods of Payment

Several methods of payment are available for families' convenience. Families can pay by cash, check, money order, automatic electronic funds transfer **or** credit card through Bright wheel. To set up automatic, reoccurring payments, please contact Deidre Ross.

Late Payment Charges

Late payments can pose serious problems for our programs and as a result, the business does not have the latitude to allow families to accrue a balance equal to more than one week of tuition. Late payments will result in the imposition of late payment fees. Failure to pay childcare payments will result in childcare services being terminated.

If payment is not received on the day that it is due, a late fee of \$15 **will** be added to your next tuition payment for each day that it is late. Repeated late payments will result in your family being required to set up automatic payments or credit card payments.
